The person filming is shouting of joy and excitement.

In the conversation one can hear :

“Come on, bring it on ! Go go go !”

“God bless ! God bless”

“How great is God !”

« Fire and ashes »

« I’ll go with him !»

“I want to carry someone on my neck !”

The video, uploaded by Tiktok profile AHMAD (+ Palestinian and Belgian flag) (@ahmad.edeli) on October 7th 2025, to commemorate and celebrate the massacre that took place two years earlier, was deleted in the meantime :

اليوم ذكرى حزينة علينا ودعنا فيها زميلنا وصديقنا mohamadalkhatiib العزيز المصور الصحفي سامر أبو دقة. سامر الطيب البشوش المحب للجميع والحياة أخبرني قبل استشهاده أنه يقتقد أولاده وأنه لن يغادر المستشفى حتى تنتهي الحرب على غزة ليسافر بعدها للقائهم ولكن رحيله حال بين ذلك. وداعاً أبو يزن، وداعاً زميلاً، وداعاً صديقاً، وداعاً مصوراً مبدعاً، وداعاً شهيد الصورة والحقيقة. نسال الله أن يرحمك ويعفر لك.

Today is a sad anniversary for us, as we bid farewell to our dear colleague and friend, the photojournalist Samer Abu Daqqa. Samer, the kind, cheerful person who loved everyone and life, told me before his martyrdom that he missed his children and that he would not leave the hospital until the war on Gaza ended, so that he could travel to meet them, but his departure prevented that. Farewell Abu Yazan, farewell colleague, farewell friend, farewell creative photographer, farewell martyr of the image and the truth. We ask God to have mercy on you and forgive you

قبل ستة أشهر قصفت طائرات الاحتلال منزلي ومنزل عائلتي في مدينة خان يونس ودمرت بالكامل. واليوم تقصف منزل صديقي وزميلتي الصحفي حسن اصليح، في محاولة من هذا الاحتلال استهداف الصحفيين ومنازلهم.

Six months ago, occupation aircraft bombed my house and my family's home in the city of Khan Yunis and destroyed it completely. Today, they bombed the home of my friend and colleague, journalist Hassan Aslih, in an attempt by this .occupation to target journalists and their homes

13 May 2025 : paying a tribute to his close friend.

"Hassan wasn't just my colleague, he was my friend for more than 15 years and companion every day since the beginning of the war."

mohanadalkhatiib من عام
كان درع الصحافة ثقيلًا على صدورنا لأكثر من 15 عامًا، كان رفيق طيلة الحروب الماضية ورفيقي كل يوم في هذه الحرب الجارية من 2023، كان حسن روحًا تمشي بيننا، إنسانًا نادرًا، خلوقًا، محبوبًا، مبدعًا، وراقبًا بكل معنى الكلمة. كان دائمًا يقول لي: "الصحافة بدعا قلب قوي وخلي قلوبنا دائما قوية" كان أول المهنيين لي حين خرج أخي من الأسر، وكان أول المعزين لي حين استشهد أخي محمد قبل عشرة أيام في 2 مايو 2025.

فقدانهم غصة في القلب لا تُسد، وفراق لا يُملأ. رجل أخي العالي علي محمد واليوم يرحل حسن، رحيلهم مروع جدا، لكنه ما زال في قلبي... في ذاكرتي، في مواقفه وأخباره في فلسطين، في ضحكاته التي باقية أمامي بعد رحيله.

رحمك الله يا صديقي.

The burden of journalism weighed heavily on our chests for more than a year and a half, but the news of Hassan's martyrdom weighed heaviest on us... an unbearable, unbelievable, incomprehensible pain

Hassan wasn't just a colleague: he was my friend for more than 15 years. He was my companion throughout the past wars and my companion every day in this ongoing war since 2023. Hassan was a spirit walking among us, a rare, well-mannered, beloved, creative, and refined human being in every sense of the word. He always told me, "Journalism requires a strong heart, and always keep our hearts strong." He was the first to congratulate me when my brother was released from captivity, and he was the first to offer my condolences when my brother Mohammed was martyred ten days ago, on May 2, 2025

About Hassan Eslaieh :

Like Mohaned Alkhatib, he poses as a Gazan journalist and photographer.

He was in Israel on October 7th, rejoicing and participating in the attack.

In this picture, a screenshot of a video he posted on October 7th, we see **Hassan Eslaieh** on a scooter and **Mohanad Alkhatib** running behind him. None are wearing press vests. Everyone is very happy.

This video was presumably filmed by Hassan Eslayeh on October 7th. He's holding a hand grenade.

Hassan Eslaih was close to Yahya Sinwar, the architect of the massacre of October 7th, and a member of Hamas.

Hassan Eslaih posted several videos on his Instagram account on October 7th, in Israel, “covering” the terror attack live :

Filming a scene of terrorists preparing explosive devices to be launched into Israel :

<https://x.com/EFischberger/status/1722701440454422851>

Messages he posted in 2014 and 2015 :

We are able to find out much more about local journalist Hassan Isleih, AP's source to back up Hamas' claim that Ahmed Abu Abed died after he was fatally wounded from Israeli fire at border clashes Friday.

According to [Electronic Intifada](#), Hassan Isleih is a "a camera operator with Quds TV," which is Hamas affiliated.

Moreover, upon reviewing his social media accounts, CAMERA Arabic has found that Hassan Isleih openly identifies with Hamas' political platform and is a rabid anti Semite who praises terrorists and expresses joy over the murder of innocent and unarmed Israelis (they're all settlers, according to Isleih, regardless of which side of the Green Line they lived).

On [Twitter](#), Isleih praised the perpetrators of the [Hsi Kai](#) massacre, in which five civilians at prayer in a synagogue and a police officer were murdered in November 2015:

"The mosques of Gaza announce the "Allahu Akbar" as they bless our people and our Ummah [the Arab Nation/ the community of Muslim believers] with the exquisite act of martyrdom in Jerusalem, there are amas in Gaza and Rafah that distribute candy out of joy due to the event"

ومناطق في رفح و غزة توزع الحلوى فرحاً بالعملية.

He expressed joy and contentment about the murder of civilians Nehemia Bennett and Aharon Lavie, stabbed to death in Jerusalem's Old City, October 2015:

"Wailing and crying during the ceremonies of burial of the Zionists killed in the stabbing attack that was performed yesterday by the martyr and hero Mohannad Al Halaby RA, Sight_of_Contentment [Literally: RA, Sight_that_Relieves_the_Hearts] - in response to the funerals of civilians Nehemia Bennett and Aharon Lavie

About Mohammed Fayq:

Like Hassan Eslaieh and Mohanad Alkhatib, Mohammed Fayq poses as a **Gaza journalist** on all his social media channels.

He was also in Israel on October 7th and brags about that glorious day and everything he saw – including the hostages being taken from their houses, and terrorists forcing the safe rooms in people's homes.

"All of Gaza was there". "I saw people carrying soldiers". "They brought at least 50 female occupiers."
'Everyone who can should come ! It's a once in your lifetime experience !"
He encourages Gazan civilians to go into Israel and participate in the atrocities.

He says "we" and mentions **Hassan** → Eslaieh?

There are reasons to believe he was witnessing, cheering, and participating in the crimes of October 7th, together with Hassen Eslaieh and Mohanad Alkhatib.

About

Mohannad Al Khateeb is a journalist and youth activist who works to show the truth facing the Palestinian people. He conducts many interviews with children who are exposed to injustice. I work to provide assistance to everyone I find in need of humanitarian assistance. I photograph all the news and stories that occur in Palestine and the Gaza Strip.

Profession

Mohanad Alkhatib is from Khan Younes.

He presents himself as a journalist and a photographer.

He poses countless times with his press vest and camera in Gaza.

Yet he doesn't seem to write for any newspaper. He mainly uploads propaganda videos to Instagram.

He doesn't seem to be an Al Jazeera journalist, but he tries to show off his ties with the Qatari state-owned media :

A visit to the Channel in Qatar, on **March 25, 2023** :

One video of his was posted on Al Jazeera's Instagram account :

“Your determination broke the bars and the jailer.

Praise be to God who granted **my cousin, Muhammad Anwar Al-Khatib**, his release from the Israeli occupation prisons.

And God willing, relief is near for all our brave prisoners.”

Family members killed during the war:

According to this post : his father, his brother Emad, his sister Fida, his brother Mohammed, who was his life, two of his in-laws, his aunt, and many cousins and friends.

Note : **the combatant to civilian deaths ratio in the Gaza war is 1 combatant / less than 1.5 civilians**. If what he claims is true, it is impossible that all of his family members were innocent civilians.

فلسطين

الفرح في غزة ناقص بعد وقف الحرب..
هناك عائلات لم تأخذ منها الحرب الأرواح فقط
بل أخذت من كانوا معنى للحياة لهم... سلاما
عليك أخي وعلى كل شهيد وجريح وأسير
وطبيب ومسعف وصحفي

mohadalkhatiib We will never forget our martyrs..
Thank God for stopping the two bloody years war and genocide against us.
My heart is filled with a diminished joy; after the departure of my father, my brother Emad, and my sister Fida, my brother Mohammed, who was our life, has passed away, two of my in-laws, my aunt, and many cousins and friends.

The joy in Gaza is lacking...
Until a ceasefire is announced, there are hearts where life has been extinguished, and homes that will never reopen.
Pain doesn't stop advertising, because war didn't just take lives...
Instead, you took from us who were the meaning of life.

Posts / Opinions / Islamism :

Every post refers to Islam, Allah and the Coran. Every person killed is automatically referred to as a “martyr”.

Paris, France

mohanadalkhatib This is France where 44 presidents and kings, including 14 presidents and Arab kings, gathered in 2015 to pay their condolences to the French people after the attack of Charlie Hebdo, which claimed 12 lives.

The international and Arab systems heard this incident and responded to it. But Gaza, which has been living for 630 days under bombardment, killing, aggression and ongoing war, where more than 60,000 people were martyred, 17,000 children, and more than 150,000, most of them have been mutilated and serious injuries.

These presidents and kings, especially the Arabs, did not respond to her suffering, but they gathered to starve her and killed those in it until the end.

This is the oppressive world we live in and controlled by the White House and this is the value of Palestinian blood and they looked at it to leave it until death!

I stand among you and express my deepest gratitude to all the free people of Europe and the world who are fighting, demonstrating and raising their voices for Palestine and the Palestinian people, at a time when the voices of the Arab people have disappeared from supporting us and raising our voices.

Thank you and everyone who believes in the supreme humanity values and rights of the Palestinian people completely until we have peace, security, freedom and dignity, thank you from the bottom of our hearts.
